06/25/01

Sir:

Transmitted herewith is a patent application entitled "Sialidases as Mucosal Adjuvants". The inventors are Prosper Boyaka and Mariarosaria Marinaro.

Enclosed are 9 pages of specification (including the claims) with 15 claims (2 independent). Applicants request, in accord with 37 CFR 1.53 (a) and (b), that a serial number and filing date be assigned to the application as of the date of receipt of the presented papers. An executed Declaration and the filing fee will be forwarded in due course.

Please send all correspondence to:

Glenna Hendricks, Esq.
P.O. Box 2509
Fairfax, VA 22031-2509

Please direct all telephone calls to Glenna Hendricks, (703) 425-8405.

Respectfully submitted;

Glenna Hendricks, Reg. No. 32,535
